Re: CCI- Roseton, LLC
992 River Road
Newburgh, New York 12550

Dear Mr. Fitzpatrick:

This project consists of an emergency cleanup of a 3,600 square foot area, located on Levels 139 and 128. Cleanup is being conducted due to asbestos pipe insulation accidentally being knocked loose and falling to the floor, causing a health hazard. For this reason, we will be performing a large project incidental disturbance cleanup in accordance with NYSDOL Variance File No. 14-1248.

We regard this as a "sudden unexpected event" and have attached an emergency notification. If you have any questions, please do not hesitate to call.

Very truly yours,

Patrick Fitzgerald
President
